Assessment - Why?

- Formative (for learning)
- Diagnostic (for point-in-time info)
- Summative (for certification)
- Evaluative (for accountability)

For the last 100+ years...

A photograph of a classroom where students are seated at desks, each with a laptop open. They are focused on their work, likely participating in a digital examination. The room has red walls and a wooden desk. A blue semi-transparent banner is overlaid on the image, containing text.

Digital examination Co-Managed Trials:
