

Join us to talk about assessment  
Spotswood College Thursday, June 13  
3.45pm – 5.30pm

## Taranaki Regional Meeting

### International and national assessment issues

#### What do they mean for our schools?

Come and meet with colleagues, discuss current assessment initiatives and ways in which our practices might be sharpened, and help develop a local network of educators interested in effective assessment.

Jenny Poskitt, Associate Head of the Institute of Education at Massey University and NZAI President, will give a presentation on national and International trends in assessment, including:

- practical challenges for schools
- potential ways forward
- implications for practice
- opportunities for peer discussions
- plans for establishing an assessment community in Taranaki

This is a free event and all are welcome. Light refreshments will be available from 3.30pm.

Spotswood College, 129 South Road, Spotswood
